

“If we have to promote the development of our country then our mission has to be Skill Development and Skilled India”

– Narendra Modi
Honourable Prime Minister

Pradhan Mantri Kaushal Vikas Yojana

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development & Entrepreneurship (MSDE). The objective of this Skill Certification Scheme is to enable a large number of Indian youth to take up industry-relevant skill training which will help them in securing a better livelihood.

Individuals with prior learning experience or skills will also be assessed and certified under Recognition of Prior Learning (RPL).

Approved for another four years (2016-2020) to benefit 10 million youth

PMKVY
PRADHAN MANTRI KAUSHAL VIKAS YOJANA

Training and Assessment fees are completely paid by the Government.

Key Components of PMKVY

Short Term Training

The Short Term Training imparted at PMKVY Training Centres is expected to benefit candidates of Indian nationality who are either school/college dropouts or unemployed. Apart from providing training according to the National Skills Qualification Framework (NSQF), candidates shall be provided Soft Skills, Entrepreneurship, Financial and Digital Literacy training. The duration of training varies per job role, ranging between 150 to 300 hours. Upon successful completion of their assessment, candidates shall be provided placement assistance by Training Partners. Under PMKVY, training and assessment fees are completely paid by the Government. Payouts shall be provided to the Training Partners in alignment with the Common Norms. Trainings imparted under the Short Term Training component of the Scheme shall be NSQF Level 5 and below.

Recognition of Prior Learning

Individuals with prior learning experience or skills shall be assessed and certified under the Recognition of Prior Learning (RPL) component of the Scheme. RPL aims to align the competencies of the un-regulated workforce of the country to the NSQF. Project Implementing Agencies (PIAs), such as Sector Skill Councils, or any other agencies designated by MSDE/NSDC shall be incentivised to implement RPL projects in any of the three Project Types (RPL Camps, RPL at Employer's Premises and RPL Centres). To address knowledge gaps, PIAs may offer Bridge Courses to RPL candidates.

Special Projects

Special Projects envisages the creation of a platform that will facilitate trainings in special areas and/or premises of Government bodies, Corporates/Industry bodies and trainings in special job roles not defined under the available Qualification Packs (QPs)/National Occupational Standards (NOSs). Special Projects are projects that require some deviation from the terms and conditions of Short Term Training under PMKVY for any stakeholder. A proposing stakeholder can be either Government Institutions of Central and State Government(s)/Autonomous Body/Statutory Body or any other equivalent body or corporates who desire to provide training to candidates.

Kaushal and Rozgar Mela

Social and community mobilisation is extremely critical for the success of PMKVY. Active participation of the community ensures transparency and accountability, and helps in leveraging the cumulative knowledge of the community for better functioning. In line with this, the Scheme assigns special importance to the involvement of the target beneficiaries through a defined mobilisation process. Training Partners shall conduct Kaushal and Rozgar Melas every six months with press/media coverage. Training Partners are also required to actively participate in National Career Service melas and activities on-ground.

Placement Assistance

The Scheme envisages to link the aptitude, aspiration, and knowledge of the skilled workforce it creates with employment opportunities and demands in the market. Every effort thereby needs to be made by the PMKVY Training Centers to provide placement opportunities to candidates, trained and certified under the Scheme. Training Partners shall also provide support to entrepreneurship development.

Continuous Monitoring

NSDC and empaneled Inspection Agency/Agencies shall use various methodologies, such as self-audit reporting, call validation, surprise visits, and monitoring through the Skills Development Management System (SDMS), to ensure high standards of quality are maintained by PMKVY Training Centres. These methodologies shall be enhanced with the engagement of latest technologies.

SkillUP App

SkillUP is a web and mobile based platform for trainees. Just with one click, SkillUP will enable you to reach all the skill development opportunities of the Ministry of Skill Development and Entrepreneurship, across India.

Key Features:

- Course mapping through an aptitude and interest test
- Easy registration for government funded skill training programs like Pradhan Mantri kaushal Vikas Yojna (PMKVY)
